2009 National Hemophilia Foundation Annual Meeting

The National Hemophilia Foundation (NHF) holds an annual meeting each year which is a great way to meet other families and individuals from the hemophilia community. Central California Hemophilia Foundation (CCHF) will be sponsoring up to 20 families living in the CCHF (Northern California) area to attend this meeting being held in San Francisco on October 29-31, 2009.

NHF's annual meeting brings together members of the bleeding disorder community for education, support and networking with other families facing similar challenges of living with a bleeding disorder. CCHF will provide for the 20 families to experience NHF's annual meeting at no charge. The meeting also has a Children's program designed to take into consideration the children's physical and emotional needs and offers a lot of fun.

Unfortunately, we will not be able to accommodate all requests and spots will fill up quickly. Priority will be given to families willing to meet the requirement of attending the CCHF Information/Orientation meeting (tentatively on October 3rd or 17th), CCHF Educational Symposium on September 26th, one CCHF board meeting and reporting their experience at the NHF meeting and to volunteer at one CCHF event (Family Golf Day, Family Sunsplash Day, Educational Symposium or Annual Crab Feed Fund Raiser).

Once you have completed the enclosed application mail, fax or email forms back to CCHF. If you have any questions please feel free to contact us. We hope to see you this year at the NHF Annual Meeting!
